

EUROPEAN NUCLEAR SOCIETY

# TERMS & CONDITIONS

## REGISTRATION TERMS & CONDITIONS

- **Payment & VAT**

In accordance with French and European law, French VAT must be charged on fees for events held on-site in France from all participants originating from in and outside of the EU. Delegates from VAT registered entities will be able to recover the paid VAT through their own tax declaration.

All delegates are advised to arrange for full payment prior to the event to avoid any delays in collecting their badges and on-site material. No badges and materials will be issued to delegates with an outstanding payment.

- **Access to the ITER site**

PIME 2024 will take place at the site of ITER. The ITER Organisation requires a certain number of personal information of its visitors, in order to ensure the appropriate level of safety and security. Upon registration, ENS will collect this information from each delegate and forward it to the ITER Organisation.

- **Registration Categories**

PIME 2024 offers the following registration categories:

- ENS Members & Partners: applicable to Members of [ENS' Member Societies](#) as well as members and subscribers of NucNet
- Non-member: everyone not belonging to the above category

- **Cancellation**

EUROPEAN NUCLEAR SOCIETY

For cancellations of registered delegates received in writing by 15. September 2024 midnight CET, the registration fee will be refunded (net of bank or credit card charges). No refund can be made for any cancellation received after that date.

- **Substitutions**

A paid registrant can be replaced by a colleague provided that the organisers receive all information by email by 15. September 2024. This substitution will not incur any cost, except if the person replacing an ENS member is not a member.

### **Travel and Transportation**

All delegates are responsible for arranging their own travel, accommodation, and transportation. Please note that citizens of some countries are required to obtain visa prior to arrival. Please consult with a nearby French consulate or embassy.

The organiser is not responsible for any travel, accommodation, transportation, or visa matters for delegates. Delegates are responsible for their reservation.

## **LIABILITY**

- **Event Programme Change**

For organisational reasons, and/or reasons beyond the control of ENS, ENS reserves the right to alter the timing and content of the programme without prior notice at any time before or during the event.

- **Event Cancellation, Insurance, and Liability**

In the case of government intervention or regulation, military activity, strikes, or any other circumstances that make it impossible or inadvisable for PIME 2024 to take place at the time and place provided, the delegate shall waive any claim for damages or compensation except the amount paid for registration after deduction of actual overhead expenses incurred in connection with PIME 2024 (comprised of the venue and service providers non-refundable deposits, etc.) and there shall be no future or derived/indirect liability on the part of either or any party. All delegates take part in the event at their own risk and are encouraged to obtain adequate coverage for travel, health, and accidental insurance before they depart from their countries. The organisers, their suppliers, or agents accept no liability for any personal injuries, or loss of, or damage to, private property belonging to PIME 2024 delegates.

Access to PIME 2024 is subject to acceptance of the delegate by the ITER Organisation in line with their safety and security regulation. If access is denied by the ITER Organisation, the delegate shall waive any claim for damages or compensation except the amount paid for registration

- **Limitations of liability regarding event elements provided online**

Delegates are solely responsible for procuring and maintaining their network connections and telecommunications links from their systems to the event platform of the Research Reactor Conference. The organiser is not responsible for any delays or delivery failures resulting from the transfer of data over communications networks and facilities, including the internet, and delegates acknowledge that the delivery of online content may be subject to reasonably acceptable limitations, delays and other problems inherent in the use of such communications facilities.
