REGISTRATION TERMS & CONDITIONS

- **Payment & VAT**

In accordance with Czech and European law, Czech VAT must be charged on fees for events held on-site in the Czech Republic from all participants originating from in and outside of the EU.

Tax payers established in the Czech Republic (with Czech VAT number) are subject to Art. 194 VAT Directive (reverse charge). They will not be charged on the invoice and will arrange the tax payments directly through their declaration.

All delegates are advised to arrange for full payment prior to the event to avoid any delays in collecting their badges and on-site material. No badges and materials will be issued to delegates with an outstanding payment.

- **Registration Categories**

The Conference on Advanced Nuclear Technologies for Space(ANTS) 2026 offers reduced registration rates for students and members of the ENS Young Generation. A valid ENS membership number and/or proof of enrolment as a student will be required.

Unjustified registrations under this reduced category will be cancelled or moved to a regular subscription. Any applicable financial cost will be borne by the delegate. Exceptions may be granted by the organiser on written request.

Special rates and reductions are furthermore available for sponsors and exhibitors as agreed in a ANTS 2026 sponsoring or exhibition agreement.

A paid registrant can be replaced by a colleague provided that the organisers receive all information by email by 13 November 2026. This substitution will not incur any cost, except if the person replacing a student/ENS YG member is not eligible for the reduction.

Travel and Transportation

All delegates are responsible for arranging their own travel, accommodation, and transportation. Please note that citizens of some countries are required to obtain visa prior to arrival. Please consult with a nearby Czech consulate or embassy.
